Mission Statement

Through my work I aim to *celebrate diversity* through music, use music as a focus for *group sharing*, support environmental and personal *well-being* through music and support & develop musical *confidence and ability*.

Professional musician, ongoing work since 1979 including...

Workshop Facilitation - Solo and in groups: Community music sessions with all ages and abilities including: singalongs & vocal workshops, African drumming/junk percussion, children's musical interaction, movement, story-telling and reminiscence with elders.

Performance - Community and private events, solo and in groups.

Songwriting/Composing - Workshops, recording and broadcasting. Original material composed & performed. Videos screened.

Environment/Re-Use - Resource awareness through "Community Scrapbands" using junk percussion. *"Beats recycling!!"*

Project Work - A variety of music and re-cycling projects in partnership with schools and community groups.
